**Bacca used performance art to emphasize world peace and the bonds between humanity.**

**2**

**3**

**In 2008, she reached the world with a performance project called "Brides on Tour".gained worldwide fame. As part of the project, Bacca went on a world tour by car wearing a bridal outfit.**

**Bacca, along with other women wearing wedding dresses in this project, aimed to promote understanding and solidarity among people by carrying a message of universal peace.**

**4**

**5**

**In 2008, during Bacca's project, she was raped and killed by a man while hitchhiking in Turkey.**

**Bacca's death caused great repercussions in the press. It has once again been revealed that the right to international travel, which is a fundamental human right, is not provided equally to women and girls as it is to men.**

**6**

**7**

**Many art events, exhibitions and documentaries have been organized to keep Bacca's memory alive.**
